IMPORTANT information:

This gala is run without marshalling of swimmers for each heat.

It is ESSENTIAL that schools ensure that their swimmers are ready at the starting end BEFORE the end of the previous heat. If they are not in position we will not have time to wait for them and they will **MISS their swim. [If time allows any missed swims may be added at the end of the gala but this is not guaranteed]**

At the end of their swim the last swimmer should remain in their lane holding the lane rope until asked to clear by the referee. Other swimmers should leave the pool to the side
